

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF RHODE ISLAND

STEVEN J. PALANGE
PLAINTIFF

v.

C.A No 1:19-cv-00340-JJM-PAS

MICHAEL B. FORTE, et al
Defendants

PLAINTIFF'S MOTION FOR EXTENSION OF TIME TO RESPOND TO
ALL DEFENDANT'S MOTIONS TO DISMISS THIS COMPLAINT FOR
DECLARATORY JUDGMENT.

The plaintiff in the above-captioned matter respectfully moves the Court for an extension of time till October 31, 2020, to respond and object, oppose all of the defendant's motions to dismiss this civil action praying for declaratory judgment in a matter that has public importance.

Defendant Forte has requested this Court review and take judicial notice of a number of court cases this plaintiff is involved with. The files are voluminous and will take much time for me to review. Furthermore, I oppose that this Court accepts those cases and files and reject them as for what they are. They are

nullities and frauds. They are counterfeit judgments, decisions, and a complete breakdown of judicial and legal services in the State of Rhode Island. Witnesses, judges, clerks, court reporters, transcripts, agreement, orders have been tampered with in these cases defendant Forte is now attempting to use to defraud this Court into believing that he is not abusing his power, governmental money, and human rights. They cannot be believed to be actual products of actual legal courts. They are impersonating to be the court, however, they are corrupt and cruel racketeers and will continue to be so until justice puts an end to it.

Therefore, in the best interest of justice and fairness, I ask until October 31, 2020, to respond with specifics and particulars as to why this case should not be dismissed.

Respectfully submitted,

Steven J. Palange
